EXPERIENCE

Process Analysis and Automation Intern

May 2026 – July 2026

DecisionHR, Corporate Headquarters, St. Petersburg, Florida

- Built a Salesforce risk-monitoring system: custom object, 4 outreach-tracking fields, and 5 production Flows enabling scheduled risk evaluation and supporting proactive client-retention efforts.
- Used Claude connectors and agentic AI to structure organizational data and generate a Lucidchart organization chart representing approximately 160 employees; presented the solution and its business application directly to DecisionHR's CEO in a one-on-one meeting.
- Connected Salesforce to Power BI via the Reports connector, building 4 DAX columns, 3 measures, and a leadership dashboard with 3 slicers and 6+ visuals.

Wealth Management Intern

May 2025 – June 2025

Westshore Financial Group, Tampa, Florida

- Analyzed retirement strategies, including Roth IRAs, 401(k)s, and annuities, to understand client portfolio construction.
- Performed demos using the proprietary planning software, *The Living Balance Sheet* by Guardian, to illustrate a client's debt forecasts, saving strategies, and long-term financial outcomes.

Accounts Payable/Receivable Intern

(Concurrent) May 2025

BlueGrace Logistics, Corporate Headquarters, Tampa, Florida

- Analyzed accounts payable and receivable processes, including invoicing, collections, and reporting.
- Examined financial operations supporting 10,000+ customers across 60+ locations to understand high-volume invoicing, collections, and reporting processes.

Certified Chick-fil-A Team Trainer

May 2022 – August 2024

Chick-fil-A, St. Petersburg, Florida

- Promoted to Certified Trainer to lead skill development after 3 months of employment and trained over 15 new hires.

LEADERSHIP & SERVICE

President, AI in Business Club

April 2026 – Present

Florida State University, Tallahassee, Florida

- Lead an AI-focused organization with nearly 400 members and an eight-member executive board; represent the organization at LEADFSU events and serve on the College of Business President's Council.
- Promoted to President after serving as External Affairs Officer and developing corporate and professional partnerships.
- Organized OpenAI Codex, Microsoft Power Automate, and Microsoft Excel technical workshops, and EY networking.

Omicron Delta Kappa Leadership Honor Society Member

February 2026 – Present

Florida State University, Tallahassee, Florida

- Invited to join Omicron Delta Kappa, the nation's oldest leadership honor society, founded in 1914, recognizing top student leaders across academics and campus involvement. Less than 5% of academically eligible students are accepted.

Founder and President, The Tampa Prep Care Squad

April 2023 – May 2025

Tampa Preparatory School, Tampa, Florida

- Successfully developed relationships and collaborated with Johns Hopkins All Children's Hospital, The National Pediatric Cancer Foundation, The Children's Dream Fund & Children's Cancer Center for fundraising activities.
- Organized fundraisers that raised \$500+ and led 100+ student volunteers in community service projects.
- Hosted a service project for Johns Hopkins during Tampa Prep's service day, leading over 100 seniors as a junior.

Awards and Honors: Omicron Delta Kappa (<5%), President's List (18 Credits, 4.0), Vires Scholar (\$16,000), Bright Futures Scholar, AP Scholar with Distinction, Cum Laude Scholar, 7 AP exams (scores of 4+), 97th percentile SAT.

Professional Development: Goldman Sachs Risk, Vista Private Equity Partners AI in Action, Microsoft Excel Certified Associate.
